The conference will feature a keynote address by Dr. Jane Doe, a world-renowned expert in the field of artificial intelligence. Dr. Doe will speak about the latest developments in AI and the potential implications for society.

In addition to the keynote address, the conference will feature a number of parallel sessions on a variety of topics, including:

- Artificial intelligence
- Climate change
- Economic development
- Education
- Health care
- Human rights
- International relations
- Peace and security
- Social justice
- Sustainable development
- Technology

The conference will provide a unique opportunity for participants to learn about the latest research and policy developments in a wide range of fields. It will also provide a platform for participants to network with other experts and practitioners from around the world.

## **Registration**

Registration for the conference is now open. The early bird registration deadline is August 1, 2024. The regular registration deadline is September 1, 2024. To register for the conference, please visit the following website: <https://www.europeanconference2024.org/>

## **Accommodation**

A block of rooms has been reserved at the Hotel Amsterdam for conference participants. To book a room, please call the hotel directly at +31 (0)20 523 5353 and mention the European Conference 2024.

## **Transportation**

Amsterdam is easily accessible by air, train, and bus. The city is served by Amsterdam Schiphol Airport (AMS), which is one of the busiest airports in Europe. There are also regular train and bus services from other major cities in Europe.

## **Things to do in Amsterdam**

In addition to attending the conference, participants may also want to take some time to explore Amsterdam. The city is home to a number of world-renowned museums, art galleries, and historical sites. Some of the most popular tourist attractions in Amsterdam include:

- The Anne Frank House
- The Rijksmuseum
- The Van Gogh Museum
- The Heineken Experience
- The Jordaan
- The Red Light District
- The Vondelpark

Amsterdam is also a great city for shopping, dining, and nightlife. The city is home to a number of high-end boutiques, as well as a variety of restaurants

and bars. There are also a number of nightclubs and live music venues in Amsterdam.

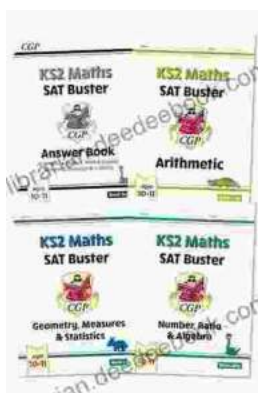

The 14th European Conference will be a major event for researchers, policymakers, and practitioners from around the world. The conference will provide a unique opportunity to learn about the latest advances in a wide range of fields and to network with other experts and practitioners.
