

Announcing the Winners of the "Contest for Three" Essay Contest

We are thrilled to announce the winners of our recent "Contest for Three" essay contest. This contest was open to students grades 6-12 and asked students to write an essay about the importance of friendship. We received hundreds of wonderful essays from students all over the country, and we are so grateful for all of the hard work and thought that went into each one.

Title: The Power of Three

Author: Sarah Johnson, 12th grade

Excerpt: "Friendship is a powerful force that can change the world. It can help us overcome challenges, achieve our goals, and become better people. When we have friends, we are never truly alone. They are there to support us, encourage us, and make us laugh. They help us to see the best in ourselves and to believe that anything is possible."

Second Place

Title: The Importance of Friendship in the Digital Age

Author: Emily Smith, 10th grade

Excerpt: "In the digital age, it is more important than ever to have friends. With so much of our lives being spent online, it can be easy to feel isolated and alone. But friends can help us to stay connected, even when we are physically apart. They can provide us with a sense of belonging and support, and they can help us to make the most of our time online."

Third Place

Title: The Gift of Friendship

Author: John Doe, 8th grade

Excerpt: "Friendship is a gift that we should cherish. It is a gift that can make our lives richer, happier, and more meaningful. Friends are there for us through thick and thin. They celebrate our successes, and they help us to pick ourselves up when we fall down. They make us laugh, they make us cry, and they make us feel like we belong."

We would like to thank all of the students who participated in the "Contest for Three" essay contest. We were so impressed by your writing, and we hope that you will continue to write and share your stories with the world.
