Materials You'll Need:

- 14-count clear plastic canvas (one piece measuring 8" x 11")

- Worsted weight yarn in various colors (for the vase, trim, and embellishments)

- Yarn needle

- Scissors

- Optional: Glue, glitter, or other embellishments

Pattern Instructions:

Step 1: Create the Vase Base

1. Cut a piece of plastic canvas measuring 8" x 11".

2. Starting from the bottom left corner, yarn over (YO) and insert the needle into the first hole on row 1. Pull the yarn through to create a loop.

3. Continue YO and insert the needle into the next hole on row 1, creating a second loop. YO again and insert the needle into the third hole on row 1, creating a third loop.

4. YO and draw the yarn through all three loops on the needle to create a single crochet stitch (SC). Repeat this process until you reach the end of row 1.

5. Turn the canvas and YO again. Insert the needle into the first hole on row 2 and pull the yarn through. YO again and insert the needle into the next hole on row 2, creating a second loop. YO again and insert the needle into the third hole on row 2, creating a third loop.

6. YO and draw the yarn through all three loops on the needle to create a SC. Repeat this process until you reach the end of row 2.

7. Continue crocheting in rows until you reach the top of the canvas, or desired height of the vase.

Step 2: Create the Vase Opening

1. For the first row of the opening, skip the first three holes on the top row of the canvas.

2. YO and insert the needle into the fourth hole on the top row. Pull the yarn through to create a loop. YO again and insert the needle into the next hole on the top row, creating a second loop. YO again and insert the needle into the third hole on the top row, creating a third loop.

3. YO and draw the yarn through all three loops on the needle to create a SC. Repeat this process until you reach the end of the row.

4. For the second row of the opening, skip the first two holes on the top row of the canvas.

5. YO and insert the needle into the third hole on the top row. Pull the yarn through to create a loop. YO again and insert the needle into the next hole on the top row, creating a second loop. YO again and insert the needle into the fifth hole on the top row, creating a third loop.

6. YO and draw the yarn through all three loops on the needle to create a SC. Repeat this process until you reach the end of the row.

7. Continue decreasing the number of holes skipped for each row until you reach the desired opening size.

Step 3: Add Trim and Embellishments

1. Once the vase is completed, you can add trim or embellishments to give it a festive touch. For example, you can crochet a simple border around the top edge of the vase, or add a ribbon or lace trim.

2. You can also glue on sequins, beads, or other embellishments to create a one-of-a-kind design.

Step 4: Display Your Birthday Party Vase

1. Once you're finished, your Birthday Party Vase is ready to display! Fill it with fresh flowers, candy, or other party decorations.

2. Place it in the center of the table or on a mantelpiece to add a splash of color and cheer to your celebration.

With a little creativity and this easy-to-follow pattern, you can create a unique and memorable Birthday Party Vase that will be cherished for years to come. Whether you're celebrating a child's birthday, a milestone anniversary, or any other special occasion, this festive decoration will add a touch of whimsy and joy to the festivities. So gather your materials and get started today!

Here are some additional tips for creating your Birthday Party Vase:

- Use a variety of yarn colors to create a vibrant and eye-catching vase.

- Don't be afraid to experiment with different trim and embellishments to find a style that matches your party theme.

- If you're using glue to add embellishments, be sure to let it dry completely before displaying the vase.

- The finished vase can be used as a centerpiece, a candy dish, or a small gift basket. It's a versatile decoration that can be enjoyed for many years to come.

We hope you enjoy creating your own Birthday Party Vase! Please share your finished projects with us on social media using the hashtag #BirthdayPartyVase.
