

Historical, Political, and Philosophical Perspectives: The Eric Voegelin Institute

The Eric Voegelin Institute is a non-profit organization dedicated to advancing the study of historical, political, and philosophical thought. Founded in 1982, the institute is named after Eric Voegelin, a renowned political philosopher and historian who is widely regarded as one of the most important thinkers of the 20th century. The institute's mission is to promote the understanding of the human condition through the study of history, politics, and philosophy.

Rethinking Rights: Historical, Political, and Philosophical Perspectives (The Eric Voegelin Institute Series in Political Philosophy Book 1) by Newt Gingrich

Research Initiatives

The Eric Voegelin Institute conducts a wide range of research initiatives, including:

- **The Voegelin Library Project:** This project is dedicated to digitizing and publishing Voegelin's complete works, including his published books, essays, lectures, and correspondence. The project is well underway, with several volumes already available online.
- **The Voegelin Studies Series:** This series publishes scholarly works that advance the study of Voegelin's thought and its relevance to contemporary issues. The series includes monographs, edited volumes, and conference proceedings.
- **The VoegelinView Blog:** This blog provides a platform for scholars and interested readers to engage with Voegelin's work and its implications for contemporary society.

Publications

In addition to its research initiatives, the Eric Voegelin Institute also publishes a variety of scholarly journals and books. These publications include:

- **The Voegelin Review:** This journal publishes peer-reviewed articles on Voegelin's thought and its relevance to contemporary issues. The journal is published twice a year.
- **Interpretation: A Journal of Political Philosophy:** This journal publishes peer-reviewed articles on political philosophy, with a focus on the work of Eric Voegelin. The journal is published four times a year.
- **The Eric Voegelin Institute Book Series:** This series publishes scholarly books on Voegelin's thought and its relevance to contemporary issues.

Educational Programs

The Eric Voegelin Institute offers a variety of educational programs, including:

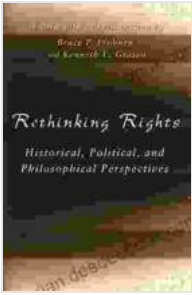

- **The Voegelin Summer Seminar:** This annual seminar is designed to introduce students to Voegelin's thought and its relevance to contemporary issues. The seminar is held at the institute's headquarters in Baton Rouge, Louisiana.
- **The Voegelin Lecture Series:** This series brings renowned scholars to the institute to deliver lectures on Voegelin's thought and its implications for contemporary society. The lectures are open to the public.
- **The Voegelin Scholars Program:** This program provides funding for scholars to conduct research on Voegelin's thought and its relevance to contemporary issues. The program is open to scholars at all levels, from graduate students to senior faculty.

The Eric Voegelin Institute is a leading center for the study of historical, political, and philosophical thought. Through its research initiatives, publications, and educational programs, the institute promotes the understanding of the human condition and its implications for contemporary society. The institute's work is essential for anyone who seeks to understand the complex challenges facing our world today.
