### 1. They're always late

This may seem like a minor inconvenience, but it can be a sign that they don't respect your time. If they're always late for dates or appointments, it's a sign that they don't value your time or your schedule.

### 2. They're always canceling plans

This is another sign that they don't respect your time. If they're always canceling plans at the last minute, it's a sign that they don't value your time or your plans.

### **3. They're always borrowing money**

If they're always borrowing money from you, it's a sign that they're not financially responsible. This could be a major red flag, especially if you're considering a long-term relationship with them.

### **4. They're always jealous**

Jealousy is a normal emotion, but it can become a problem if it's excessive. If they're always accusing you of flirting with other people or getting jealous when you spend time with your friends, it's a sign that they're insecure and controlling.

### **5. They're always angry**

If they're always angry or irritable, it's a sign that they have anger issues. This could be a major problem, especially if they're physically or emotionally abusive.

### **6. They're always lying**

Lying is a major red flag in any relationship. If they're always lying to you, it's a sign that they're not trustworthy. This could be a major problem, especially if you're considering a long-term relationship with them.

### **7. They're always trying to control you**

If they're always trying to control you, it's a sign that they're manipulative and controlling. This could be a major problem, especially if you're

considering a long-term relationship with them.

## 8. They're always putting you down

If they're always putting you down, it's a sign that they're insecure and have low self-esteem. This could be a major problem, especially if you're considering a long-term relationship with them.

## 9. They're always making you feel guilty

If they're always making you feel guilty, it's a sign that they're manipulative and controlling. This could be a major problem, especially if you're considering a long-term relationship with them.

## 10. They're always pushing you to do things you don't want to do

If they're always pushing you to do things you don't want to do, it's a sign that they're manipulative and controlling. This could be a major problem, especially if you're considering a long-term relationship with them.

If you're seeing any of these warning signs in your relationship, it's important to take them seriously. Ignoring these signs could lead to a serious relationship problem.
