So, you want to be a rapper? That's awesome! But before you start spitting rhymes, you need to find your own unique rap voice. This is what will set you apart from the other rappers out there and make you stand out from the crowd.

But how do you find your rap voice? Don't worry, we're here to help. In this guide, we'll give you 15 simple exercises and tips that will help you find your own unique sound in no time.

### 15 Exercises and Tips to Find Your Coolest Rap Voice

1. **Start by listening to your favorite rappers.** What do you like about their voices? What makes them unique? Pay attention to their flow, their delivery, and their lyrics.

2. **Experiment with different vocal styles.** Try rapping in a high-pitched voice, a low-pitched voice, a nasally voice, a raspy voice, etc. See what feels most natural and comfortable for you.
3. **Record yourself rapping.** This is a great way to hear how you sound and identify areas where you can improve. Listen back to your recordings and make adjustments until you're happy with the way you sound.
4. **Get feedback from others.** Ask your friends, family, or other rappers to listen to your raps and give you feedback. They can give you valuable insights into your voice and help you identify areas where you can improve.
5. **Write your own lyrics.** This is a great way to develop your own unique style and sound. When you write your own lyrics, you can choose words and phrases that reflect your personality and experiences.
6. **Practice, practice, practice!** The more you rap, the better you'll get at it. So practice as much as you can until you feel confident in your abilities.
7. **Don't be afraid to be yourself.** Your rap voice should be a reflection of who you are. So don't try to imitate someone else. Just be yourself and let your own unique voice shine through.
8. **Have fun!** Rapping is supposed to be fun. So don't take it too seriously. Just relax, let loose, and have some fun with it.

Finding your own unique rap voice takes time and practice. But with these exercises and tips, you'll be on your way to developing a sound that is all

your own in no time. So what are you waiting for? Start rapping today!
