## Materials You'll Need:

- 1 sheet of 7-count plastic canvas
- Yarn in two contrasting colors (one for the box, one for the trim)
- Plastic canvas needle
- Scissors

## Step-by-Step Instructions:

1. Start by cutting a piece of plastic canvas that is 10 squares wide by 5 squares high.
2. Using the yarn in your chosen color for the box, start stitching around the edges of the canvas. Be sure to skip the squares along the top edge, as this will be where the lid of the box opens.
3. Continue stitching around the edges of the canvas, making sure to keep your stitches even and tight.
4. Once you reach the end of one long side, continue stitching up the side of the canvas.
5. Repeat Steps 4 and 5 until you have stitched all four sides of the box.
6. To create the lid of the box, cut a piece of plastic canvas that is 10 squares wide by 3 squares high.
7. Stitch around the edges of the lid canvas, skipping the squares along one long side. This will be where the lid attaches to the box.
8. Once you have stitched around the edges of the lid, attach it to the box by stitching the two pieces together along the open side.
9. To create the trim for the box, cut a piece of yarn that is approximately 2 yards long.
10. Starting in the corner of the box, thread the yarn through the holes along the top edge of the box.
11. Continue threading the yarn through the holes, making sure to go under and over the stitches from the box.
12. Once you reach the end of the top edge, tie the yarn off securely.

13. Your Valentine's Day box is now complete! Fill it with candy, jewelry, or other small tokens of affection and give it to your loved one as a heartfelt expression of your love.

### Tips for Success:

- Use a sharp needle to make stitching easier.
- Keep your stitches even and tight to create a sturdy and durable box.
- Be creative with your choice of yarn colors. You can use a solid color for a classic look, or you can use variegated yarn to add a touch of whimsy.
- Add a personal touch to your box by embroidering a message or design on the lid.
